God gave us free will.

Follow the Golden rule. Treat others how you want to be treated.

It is a gift from God, I should protect it.

Bible/Teachings says it is wrong.

God has allowed us to invent the technology.

Only God can give and end life.

We have dominion.

The body is a temple for holding the soul. I need to look after it.

It's the kindest/loving thing to do.

All life is sacred.
Sanctity of Life

God has a plan for everyone.

What arguments could a religious person use?

We should follow Jesus'/Gandhi's example.

You want a good afterlife/ reincarnation

It did not exist when the bible was written.

Love thy neighbour.
Get good karma

It goes against the 10 commandments /duties
