## Key Stage 4 - Year 9 Art

## **Course Outline and Structure**

In year 9 students develop a range of skills including drawing, painting, 3D construction, textiles, photography and mixed media that will prepare them for the subject at GCSE.

Students in Year 9 have the opportunity to show case their work in the summer term as part of their USH Arts Award.

Year 9 students are encourage to take work home and are set regular home works to help them prepare for the demands of GCSE Fine Art. Students' are also offered the opportunity to work within the department at lunch times and after school to develop their coursework further.
