

School Uniform Policy

Introduction:

Our school uniform is important to help our students establish themselves as part of the USH community and to instill pride in their school.

Purpose:

This policy has been designed so that there is clarity for both parents and students around our uniform expectations. In addition to this, we believe uniform is important for the following reasons:

- It contributes to our ethos and sets an appropriate tone to support positive behaviour.
- The wearing of our uniform should encourage pupils to treat each other and the school environment with respect.
- It should support pupils in learning how to dress in a manner appropriate to the activity being undertaken and the environment they inhabit.

Aim:

Our aim is to set a standard of dress and appearance which will be appropriate and acceptable for the school and its community. Whilst the uniform should be smart and help students to have pride in themselves, it should also be comfortable, easy to wear and not a source of confrontation between staff and students.

Cost is also carefully considered in deciding on uniform design and uniform suppliers, and we review the contract arrangements with our supplier regularly so that parents continue to get value for money. We have tried to ensure that everything required is simple and hardwearing.

Financial Assistance for Uniforms: These are the key headlines regarding the support available to parents for the purchase of uniform items:

- If you are receiving Free School Meals, financial assistance may be available to help provide the essential clothing items that your child needs to attend school.
- The school offers support to eligible parents at the beginning of Year 7 and Year 9.
- A Uniform Grant application form is available from the School Finance Office. They will be happy to assist parents in the completion of this form where necessary.
- Uniform support will also be considered for students eligible for pupil premium funding. Requests must be made via the School Finance Office.
- Support for the purchase of school uniform items from our welfare budget may be considered for other parents. We would encourage parents to speak with their child's Head of Year in these circumstances.
- If a uniform grant is awarded to a parent they will receive a voucher to use at our school uniform supplier, Skoolkit; no cash payment is given to parents.

Communication with Parents:

Our uniform policy is available on the school website and given to new parents as they join the school. Prospective parents are sent clear guidance on uniform well in advance of the admission of their child. As an ongoing reminder, and to provide clarity to parents, we periodically remind them about our uniform expectations (see Appendix One). Students are reminded via tutor and assembly time. We hope that parents will support us by sending students in the correct uniform and help us to maintain high standards.

Procedure in the event of non-compliance:

Non-compliance with the uniform policy is investigated case by case and we may impose sanctions for a breach of policy. Uniform is routinely checked at the start of each day during tutor time and tutors will request that any changes are made as necessary. Students who are unable or unwilling to wear the correct uniform will remain with their tutor until the matter is satisfactorily resolved.

Lost Property:

Students are able to check lost property during break times and after school. Once every term, items which have been handed in will be displayed and students will be able to collect lost belongings. Items will be held for a maximum of one term and any unclaimed items will be disposed of through local charities.

Mobile telephones, iPods, MP3 players and other electrical devices brought into school remain the responsibility of their owners. The school cannot accept responsibility for these items, including any loss or damage occurred whilst at school.
