Dear Parent/Guardian

In an effort to stretch and challenge our more able students in English, we have organised a series of workshops with Barton Peveril Sixth Form College. These sessions will cover a range of essential skills needed by the students to achieve the top grades in their English GCSEs, from tackling a literary text with linguistic terminology to using unconventional narratology in creative writing.

The workshops will take place after school on Thursdays, from 3.15-4.15pm at the college in Eastleigh, beginning on Thursday 18th January and running for five weeks. We will transport the students to and from school via minibus so no cost is required. We will leave school at 2.50pm and return at approximately 4.35pm. Since it will be dark when we return please could you complete the slip below indicating how your child will get home.

We are confident that these will be interesting and useful sessions to help prepare our students to reach their potential. If you require any additional information, please do not hesitate to contact me.

Yours sincerely

Mrs A. Collins
Lead Teacher of English
