Dear Parent/Guardian

In an effort to stretch and challenge our more able students in English, we have organised a series of workshops with Taunton Sixth Form College. These sessions will cover some of the essential skills needed by the students to achieve the top grades in their English GCSEs, including exploring and comparing poetry with increasing sophisticated and accurate expression and greater levels of understanding.

The workshops will take place before school on Thursdays, from 8.00-8.45am at school, beginning on Thursday 18th January, initially for a fortnight. We are confident that these will be interesting and useful sessions to help prepare our students to reach their potential. If you require any additional information, please do not hesitate to contact me.

Yours sincerely

Mrs A. Collins
